PARC CRAIGMILLAR LIMITED

Directors' Report

For the year ended 31 December 2015

The directors present their report and the financial statements of the company for the year ended 31 December 2015.

Principal activities and business review

The company is principally engaged in carrying out property development and investment in line with regeneration strategy of the City of Edinburgh Council, the main focus is on the Craigmillar district of Edinburgh. A business plan has been developed to create new homes both for private ownership and for rent, new schools, a new town centre and new public parks and community facilities.

During the year the company has progressed sales with two major retailers who will be the anchors for the new town centre, these sales will complete in May and June 2016. Significant infrastructure and public realm works including a public square are planned as well as a community park. Sales of residential land have also been agreed in three of the company's masterplan areas Wauchope, the Town Centre and Greendykes, which when complete will provide around 500 new homes. The ongoing developments embrace Parc's primary objective to regenerate Craigmillar to create a welcoming, sustainable and pleasant place where people want to live and work.

Results and dividends

The total comprehensive profit for the year amounted to £2,004,282 (2014: Loss £451,728). The directors have not recommended a dividend.

Directors

The directors who served the company during the year were as follows:

F Ross – Resigned 10/03/2016
G K Barrie – Appointed 10/03/2016
G Munro
J Rust – Resigned 28/05/2015
I Whyte – Appointed 25/06/2015
E Adair

D Benson
H Rutherford
J Watt
M Bridgman – Appointed 18/03/2015

Directors' responsibilities statement

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with International Financial Reporting Standards (IFRSs) as adopted by the European Union. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and the profit or loss of the company for that period.

In preparing these financial statements, the directors are also required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;

PARC CRAIGMILLAR LIMITED

Directors' Report

For the year ended 31 December 2015

- state whether applicable IFRSs as adopted by the European Union have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the directors are aware:

- there is no relevant audit information of which the company's auditor is unaware; and
- the directors have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

Auditor

Scott-Moncrieff are deemed to be re-appointed under section 487(2) of the Companies Act 2006.

Small company provisions

This report has been prepared in accordance with the special provisions for small companies under Part 15 of the Companies Act 2006.

Signed by order of the directors

E Adair

Director

Approved by the directors on 25th May 2016

PARC CRAIGMILLAR LIMITED

Independent Auditor's Report to the Shareholders

For the year ended 31 December 2015

Independent Auditor's Report to the Members of Parc Craigmillar Limited

We have audited the financial statements of Parc Craigmillar Limited for the year ended 31 December 2015 which comprise of the statement of profit or loss and comprehensive income, statement of changes in equity, statement of financial position, statement of cash flows and the notes to the financial statements. The financial reporting framework that has been applied in their preparation is applicable law and International Financial Reporting Standards (IFRSs) as adopted by the European Union.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement set out on pages 3 and 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the Financial Reporting Council's web-site at www.frc.org.uk/auditscopeukprivate

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2015 and of its loss for the year then ended;
- have been properly prepared in accordance with IFRSs as adopted by the European Union; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

PARC CRAIGMILLAR LIMITED

Independent Auditor's Report to the Shareholders

For the year ended 31 December 2015

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies' exemption in preparing the directors' report; or
- the auditors were not exempt from the requirement to prepare a strategic report.

PARC CRAIGMILLAR LIMITED

Notes to the Financial Statements

For the year ended 31 December 2015

1. Presentation of financial statements

The company's financial statements have been prepared in accordance with International Financial Reporting Standards (IFRSs) as adopted by the European Union and as applied in accordance with the provisions of the Companies Act 2006.

Standards issued but not yet effective

There are standards which have been issued but are not yet effective at the date of issuance of the Parc Craigmillar Limited financial statements which the directors reasonably expect to be applicable at a future date. The intention is to adopt these standards when they become effective but early adoption has not been undertaken:

IAS 1 'Presentation of Financial Statements' is endorsed by the EU to be effective for accounting periods beginning on or after 1 January 2016.

At the time of issuance of the Parc Craigmillar Limited financial statements, the following amendments and improvements had been published but were not incorporated as they were not in force:

IFRS 5, IFRS 7, IFRS 9, IFRS 15, IAS 27 and IAS 39

IFRS 9, 'Financial Instruments' will make it mandatory for entities to categorise all financial instruments into two categories based on their measurement, namely financial instruments at fair value through profit and loss or financial instruments at amortised cost. This will affect the current disclosure relating to Parc Craigmillar Limited's available-for-sale financial assets, a category that has now been removed by the amendment. The financial assets will remain held at fair value with movements being taken to profit-and-loss.

Aside from IFRS 9, the directors do not expect that the adoption of these standards and interpretations in future reporting periods will have a material impact on the company's financial statements.

2. Going concern

The company prepares rolling three year business plans which include detailed cashflow projections. Having reviewed these and received assurance of support from the parent company, The EDI Group Ltd, the Directors have concluded that it is appropriate that the financial statements are prepared on the going concern basis.

PARC CRAIGMILLAR LIMITED

Notes to the Financial Statements (continued)

For the year ended 31 December 2015

3. Accounting policies

Basis of preparation

The financial statements have been prepared in accordance with International Financial Reporting Standards (IFRS) as adopted by the European Union and in accordance with UK companies' legislation, as applicable to companies reporting under IFRS. These financial statements therefore comply with IFRS as adopted by the EU.

The principal accounting policies adopted to prepare the financial statements are set out below.

Critical accounting estimates and sources of estimation uncertainty

In applying the accounting policies, the directors may at times, require to make critical accounting judgements and estimates about the carrying amount of assets and liabilities. These estimates and assumptions, when made, are based on historical experience and other factors that the directors consider are relevant.

The directors consider that there are no accounting estimates that have been made, or sources of uncertainty in the current year or prior year that would have a material effect on these financial statements.

Revenue recognition

Revenue is measured at the fair value of consideration received from income from the company's ordinary business activities. Revenue is stated net of discounts, sales and other taxes. Revenue from sales is recognised when persuasive evidence of an arrangement exists, the significant risks and rewards of ownership have been transferred to the buyer, the price is fixed and determinable and collectability is probable.

Revenue from property sales are recognised upon legal completion.

Rentals receivable under operating leases are recognised in the income statement over the term of the lease on a straight line basis.

Consolidation

The company has taken advantage of the exemption provided by Section 400 of the Companies Act 2006 not to prepare group accounts on the basis that it is wholly owned by The EDI Group Limited, and that company prepares consolidated financial statements which are publicly available and comply with International Financial Reporting Standards. Details of the company's ownership and access to the financial statements are given in note 15.

PARC CRAIGMILLAR LIMITED

Notes to the Financial Statements (continued)

For the year ended 31 December 2015

3. Accounting policies (continued)

Financial instruments

Financial instruments are measured initially at cost, which is the fair value of what was paid or received to acquire or incur them.

After initial recognition, financial assets and liabilities may be classified into the following categories: financial assets or liabilities at fair value through profit or loss; held to maturity investments; available for sale financial assets; loans and receivables and other financial liabilities at amortised cost.

The company has the following categories of financial assets and liabilities:

Trade and other receivables

Trade and other receivables are initially measured at fair value, which is the original invoice amount, and subsequently measured at amortised cost, using the effective interest method. A provision for impairment is accounted for when management deems that specific receivable balances will not be collected. The amount of the impairment loss is recognised in the income statement. Bad debts are written off when they are identified as being irrecoverable.

Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and in hand.

Trade and other payables

Trade payables are initially measured at fair value and subsequently measured at amortised cost using the effective interest method, unless the effect would not be material.

Property, plant and equipment

Items of property, plant and equipment are stated at cost of acquisition or production cost.

Investment property

Investment property is property held to generate rental income and/or for capital appreciation. Investment property is initially measured at fair value and subsequently revalued annually to its fair value at the balance sheet date.

Gains or losses arising from changes in the fair value of investment property are included in net profit or loss for the period in which they arise.

Investments

Investments in subsidiary and associated undertakings are stated at cost less provision for permanent impairment.

PARC CRAIGMILLAR LIMITED

Notes to the Financial Statements (continued)

For the year ended 31 December 2015

3. Accounting policies (continued)

Available for sale financial assets

Available for sale assets arise when the company sells a property under a shared equity scheme and represents a percentage of the value of the property sold.

Available for sale financial assets are initially measured at fair value and subsequently revalued annually at its fair value at the balance sheet date.

Gains or losses arising from changes in the fair value of available for sale financial assets are included in net profit or loss for the period in which they arise.

Taxation

The charge for current tax is based on the results for the year as adjusted for items which are non-assessable or disallowed. It is calculated using rates that have been enacted or substantively enacted by the balance sheet date.

Deferred tax is accounted for using the balance sheet liability method in respect of temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax basis used in the computation of taxable profit. In principle, deferred tax liabilities are recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill (or negative goodwill) or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction which affects neither the tax profit nor the accounting profit.

Deferred tax liabilities are recognised for taxable temporary differences arising on investments in subsidiaries and associates, and interests in joint ventures, except where the company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

Deferred tax is calculated at the rates that are expected to apply when the asset or liability is settled. Deferred tax is charged or credited in the income statement, except when it relates to items credited or charged directly to equity, in which case the deferred tax is also dealt with in equity.

Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the company intends to settle its current tax assets and liabilities on a net basis.

PARC CRAIGMILLAR LIMITED

Notes to the Financial Statements (continued)

For the year ended 31 December 2015

3. Accounting policies (continued)

Inventories

Properties in the course of development or major refurbishment are stated in the financial statements at the lower of cost and net realisable value.

In the case of community assets, being either public buildings or public facilities or infrastructure works constructed by the company as part of the regeneration process, work in progress is written off on the earlier of completion or transfer of ownership to the City of Edinburgh Council.

Interest incurred during the construction and development phase on development loans for this specific purpose is capitalised as part of the cost of work in progress. All other interest is charged to the profit and loss account. Overheads and administration costs are written off in the year in which they are incurred.

The directors consider all work-in-progress to be current in nature however due to the activities of the company, it is possible that they will not be realised within 12 months due to external factors such as customer demand and market activity.

Grants receivable

Grants are accounted for by the company when receivable.

Grants receivable in respect of contributions to fixed assets in course of construction and property development work in progress costs are credited to deferred income.

Where grants are given for a specific purpose they are released to the profit and loss account to match the cost of completed project.

Provisions

Provisions are recognised when the company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate of the amount can be made.

Provisions at the year-end relate to infrastructure works at sites, currently held within inventories, where temporary water connections were granted with the condition that infrastructure works were subsequently completed by the company.

4. Revenue

An analysis of revenue is as follows:

	2015 £	2014 £
Property Sales	0	305,000
	<u>0</u>	<u>305,000</u>

PARC CRAIGMILLAR LIMITED

Notes to the Financial Statements (continued)

For the year ended 31 December 2015

5. Directors

No directors received emoluments from PARC Craigmillar Limited in the year or the previous year. There were no other transactions with directors in the year.

6. Auditor's remuneration

During the year the following fees for audit services were paid to the company's auditor:

	2015	2014
	£	£
Fees payable to the company's auditor for audit services	5,500	5,500
Fees payable to the company's auditor for other services	600	600

PARC CRAIGMILLAR LIMITED

Notes to the Financial Statements (continued)

For the year ended 31 December 2015

9. Corporation tax (continued)

(b) Factors affecting tax credit in the year

The tax assessed for the year is different from that calculated using the standard rate of corporation tax in the UK of 20.25% (2014: 21.49%). The differences are explained below:

	2015 £	2014 £
Profit/(Loss) on ordinary activities before tax	2,414,220	(675,541)
Loss on ordinary activities multiplied by standard rate of corporation tax of 20.25% (2014: 21.49%)	488,889	(145,195)
Effects of:		
Fixed asset differences	(92,840)	(49,141)
Current tax credit in the year	<u>395,049</u>	<u>(194,336)</u>

(c) Factors affecting future tax charges

The company has a deferred tax asset of £245,234 (2014: £245,234) in respect of tax losses carried forward. This asset has not been recognised in the financial statements and is recoverable against future taxable trading profits.

The company also has a deferred tax asset of £155,255 (2014: £248,095) in respect of fixed assets, which has not been recognised in the financial statements.

PARC CRAIGMILLAR LIMITED

17. Share capital

Allotted, called up and fully paid:

	2015		2014	
	No	£	No	£
'A' Ordinary shares of £1 each	50	50	50	50
'B' Ordinary shares of £1 each	50	50	50	50
Preference shares of £1 each	8,000,000	8,000,000	8,000,000	8,000,000
	<u>8,000,100</u>	<u>8,000,100</u>	<u>8,000,100</u>	<u>8,000,100</u>

The company passed a special resolution in October 2010 for the conversion to preference shares of debt owed to The EDI Group Limited. 8,000,000 preference shares of £1 each were allotted.

A cumulative, preferential dividend at the annual rate of 7% of the nominal value per preference share is payable to the preference shareholder. However, liability for payment of the preference dividend, and/or any arrears of the preference dividend is entirely contingent on the company declaring and paying dividends and does not otherwise constitute a debt due by the company. Consequently no amount for the period ending 31 December 2015 has been recognised in the financial statements.

YEAR ENDED 31 DECEMBER 2015

22. Financial instruments and risk management (continued)

Capital risk management

The company aims to manage its overall capital structure to ensure it continues to operate as a going concern. The company's capital structure represents the equity attributable to the shareholders of the company together with cash equivalents. The directors are closely involved in the running of the company and are therefore fully aware of the capital position of the company at any point in time and any changes that circumstances bring. As a result they are in a position to address any issues that may arise on a timely basis.

Risk management objectives

The Board is charged with the overall responsibility of establishing and monitoring the company's risk management policies and processes in order to identify, analyse and monitor the risks that are faced by the company. The company does not enter into or trade financial instruments for speculative purposes.

The main risks that the company is exposed to through its financial instruments are market risk, credit risk and liquidity risk. These are managed as follows:

Market risk

Market risk is the risk that the value of the company's properties and sites under development may fall resulting in further write-offs to the income statement. The company manages this risk by carrying out sensitivity analysis for fluctuations in the property market. Included in market risk is interest rate risk, which is the risk that the expected receipts from deposits may fluctuate due to market conditions. The company monitors this risk but it is very unlikely to affect the company's overall liquidity.

Credit risk

Exposure to credit risk relating to financial assets arises from the potential non-performance by counterparties of contract obligations that could lead to a financial loss to the company. It arises from exposure to customers and amounts owed by group undertakings.

The maximum exposure to credit risk to recognised financial assets is the carrying amount, net of any provisions for impairment of those assets, as disclosed in the balance sheet and notes to the financial statements.

Credit risk is reviewed regularly by the Board of Directors and monitored by actively assessing the rating quality and liquidity of counterparties as follows:

- Only banks and institutions with an acceptable credit rating are utilised;
- All potential customers are rated for credit worthiness taking into account their size, market position and financial standing; and
- Customers that do not meet the company's credit policies may only purchase in cash or using recognised credit cards.

Liquidity risk

Liquidity risk arises from the possibility that the company might encounter difficulty in settling its debts or otherwise meeting its obligations related to financial liabilities. The company manages that risk as follows:

- Preparing forward looking cash flow analysis; and
- Ensuring that adequate unutilised borrowing facilities are maintained.

PARC CRAIGMILLAR LIMITED

Notes to the Financial Statements (continued)

YEAR ENDED 31 DECEMBER 2015

22. Financial instruments and risk management (continued)

Fair values

The directors consider that the carrying values of all the company's financial assets and liabilities approximate their fair values at the balance sheet dates.

The company does not hold any financial instruments that are classified as fair value through the profit or loss or available for sale and therefore are measured at fair value.
