Directors' report

For the year ended 31 December 2014

The directors have pleasure in presenting the report and the financial statements of the company for the year ended 31 December 2014.

Principal activities

The company is principally engaged in property development and investment.

The Company's main business has been the leasing of one property in central Edinburgh. The property is leased by the Company from its owner, The City of Edinburgh Council, and in turn is leased on to a tenant.

In 2006 the Company made a refundable payment to the tenant for the right to terminate their lease in order to develop the property. Following successful legal proceedings proving the tenants obligation to make the repayment, agreement was reached in April 2012 with the tenant for the full amount to be repaid over 8 years. EDI Central's involvement in the lease ceased from April 2012. Agreement has also been reached with The City of Edinburgh Council on a repayment mechanism for the sum due to them from the Company.

Directors

The directors who served the company during the year were as follows:

E W Adair
J E A Watt (appointed 18 June 2014)
H A Rutherford (appointed 18 June 2014)
J G Rust (appointed 18 June 2014)
F W Ross (appointed 18 June 2014)
G J Munro (appointed 18 June 2014)
D C Benson (appointed 18 June 2014)

Directors' responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. The directors are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the directors are aware:

- there is no relevant audit information of which the company's auditor is unaware; and
- each director has taken all steps that ought to have been taken to ensure they are aware of any relevant audit information and to establish that the auditor is aware of that information.

Auditor

The auditor, Scott-Moncrieff, is deemed to be reappointed under section 487 (2) of the Companies Act 2006.

Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more tax, with the following exceptions:

Deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.
